The Benefits Alliance Group Introduces Todd Stephen as Chairman of the Board.

CONCORD, April 7, 2021

The Benefits Alliance Group is proud to introduce Todd Stephen as the Alliance's new Chairman of the Board. Todd is President, Senior Pension and Benefits Consultant of Owens MacFadyen Group and brings with him years of experience and expertise throughout the benefits industry.

"I am so excited for Todd to be starting as The Benefits Alliance Group's Chairman of the Board," said Mike Macoun, President of The Benefits Alliance. "Todd has a great track record as an industry leader, team player and longstanding Benefits Alliance member. I'm looking forward to vision and ideas as I continue to support the Board in the future."

"I am proud and excited to be elected as incoming Chair of The Benefits Alliance Group by our Board," said Todd Stephen. "Our industry is changing at a dizzying pace and BA is, and will continue to be, uniquely positioned to help our member firms expertly navigate their clients through these times. It is my priority to keep us focused on expanding our advocacy role as a 'voice of the industry' to service providers, governments and regulators by leveraging the considerable knowledge and thought leadership of our member firms. We will continue to seek out established and emerging firms who specialize in the group benefits and savings markets and are committed to BA's high standards to expand our membership. I'm looking forward to working with the whole Benefits Alliance Team over the next 2 years in moving the organization forward."

"Finally, on behalf of all Benefits Alliance member firms and staff I would like to thank our outgoing Chair, Lio Spagnuolo, for his leadership, dedication and commitment over the last 2 years."

About the Benefits Alliance Group

The Benefits Alliance Group includes 28 independent member firms and more than 200 advisors with over 7,500 clients. We leverage our size and experience to offer our group clients a qualitatively superior experience. We work intimately with our clients to create plans that are innovative and flexible, delivering cost-effective stability for our clients.
